Holy Ground

When I walked through the doors I sensed His presence  
and I knew this was a place where love abounds  
For this is a temple; Jehovah God abides here  
For we are standing in his presence on holy ground.

We are standing on holy ground, and I know that there are angels all around;  
let us praise Jesus now; we are standing in his presence on holy ground.

In His presence I know there is joy beyond all measure  
And at his feet we and still be found  
For when we have a need He is still the answer  
Just reach out and claim it; we are standing on holy ground.

We are standing on holy ground, and I know that there are angels all around;  
let us praise Jesus now; we are standing in his presence on holy ground.

Nearer My God to Thee

Nearer my God to Thee, nearer to Thee  
E'en though it be a cross that raiseth me  
Still all my song shall be nearer my God, to Thee  
Nearer my God to Thee, nearer to Thee.

There let the way appear, steps unto heaven  
All that thou sendest me, in mercy given.  
Angels to beckon me, nearer my God, to Thee  
Nearer my God to Thee, nearer to Thee.

Then, with my waking thoughts bright with thy praise.  
out of my stony grief, Bethel I'll raise.  
So by my woes to me, nearer my God to Thee,  
Nearer my God to Thee, nearer to Thee.

Or if, on joyful wings, cleaving the sky  
Sun, moon, and stars, upward I'll fly.  
Still, all my song shall be nearer my God, to Thee  
Nearer my God to Thee, nearer to Thee.

## One Last Thing

based on Psalm 139

I am transparent to You, God.

You can see right through me.

I can hide nothing from You.

You read my body language, and detect my deepest feelings.

The tiniest quirks of my handwriting reveal everything going on inside me.

You know what I'm going to say before I've thought it through.

I look around at the world, and You are there;

I look within my psyche, and You are there;

Emotion and intellect are one to You.

You know me better than I know myself.

I could not stand knowing myself that well – I need some hidden corners still to discover, some mysteries still to unfold.

Only You can cope with total knowledge.

How can I have a life of my own?

If I study science, You are there.

If I explore economics, You are there.

From charmed quarks to exploding galaxies,  
from icebergs to dinosaurs to industrial toxins –

Wherever I turn, You will turn up too.

You insinuate Yourself into every crevice of my life.

Even if I bury myself in my work, You break in, and upset all my carefully-constructed apple carts.

You drag me forward by my lapels;

In the small of my back You keep shoving me.

I cannot keep You out of my life.

You are my permanent partner.

I have nothing to hide from You.

Go ahead – look into my soul!

Clean out any festering sores;

Make me fit to share life completely with You.

## How Great Is Our God

**The splendor of a king, clothed in majesty, let all the earth rejoice, all the earth rejoice.**

**He wraps Himself in light, and darkness tries to hide.**

**It trembles at His voice, trembles at His voice.**

**How great is our God, sing with me, how great is our God, and all will see how great is our God.**

**Age to age the same; and time is in His hands. Beginning and the end; beginning and the end.**

**The Godhead three in one: Father, Spirit, Son. The lion and the lamb; the lion and the lamb.**

**How great is our God, sing with me how great is our God, and all will see how great is our God.**

**Name above all names. Worthy of our praise.**

**My heart will sing; how great is our God! (Repeat)**

**How great is our God, sing with me, how great is our God.**

**And all will see how great, how great, is our God.**
